

RIDER INFO

- ◆ Route 11 operates as a regular fixed route service making stops for passengers at Route 11 designated stops in northbound and southbound directions. Departure from the Glendale Transportation Center (GTC) will occur as scheduled within the allowable wait time, regardless of actual train arrival or departure activity.
- ◆ In the morning, scheduled departure times at the GTC are intended to coordinate with multiple scheduled train arrivals. Route 11 buses will wait up to five minutes past the published scheduled time to accommodate passengers on late arriving trains.
- ◆ In the morning, Route 11 buses will not depart before the scheduled time, even when trains arrive early, in order to remain on schedule for stops along the remainder of the route.
- ◆ Route 11 will run as scheduled in the afternoon and no time adjustments will be made for trains that are delayed or running early.
- ◆ For real time Beeline arrival information go to NextBus.com or text 41411 and type in "nbus glendale". Select your route and bus stop to get the next three bus arrival times for your stop.

WHEN'S THE NextBus?

NextBus is a tool that provides Beeline riders with real-time information that makes riding the bus easier. No matter where you are - at home, in the office or out about town - riders can find out exactly when the next few Beeline buses will arrive at any particular bus stop. Passengers can access NextBus bus arrival predictions via the Internet or by text messaging.

If you don't know exactly where the closest bus stop might be or are unfamiliar with a route or the entire Beeline system, you can use the NextBus Live Map to get yourself oriented.
